

How to find Green Shadows Bed and Breakfast

Please note that ENTRY is anytime after 4 pm & EXIT is by 10 am daily.

Location & Directions

Drymen is located 16 miles north of Glasgow and 19 miles west of Stirling just minutes from Loch Lomond.

Directions from Glasgow

Taking the A811 from Glasgow, you reach the village of Croftamie. Continuing on after Croftamie for about half a mile, you will reach the Endrick River bridge (about 1/4 of a mile before the village of Drymen).

Continue over the bridge, and about 300yards on the left, you will see the entrance gates and large white pillars to Buchanan Castle Gold Club.

Take this private road (signposted to Buchanan Castle Golf Club) for about 1/4 of a mile. Before reaching the Y junction, you will go over 2 large bumps - you will see the Y junction after these bumps. Then take the LEFT road (at the wooden sign that says "To Buchanan Castle Golf Club"). Green Shadows is the 6th house on the right. Please note that there is no Bed and Breakfast sign at Green Shadows.

(Also if you are using Sat Nav, please also key in the house name in addition to the post code. Otherwise, it will direct you to an incorrect location).

Directions from Stirling

Taking the A811 from Stirling, you reach the Drymen bypass. Continue on past the village of Drymen until you reach a sharp bend, after which you will see the entrance gates and large white pillars to Buchanan Castle Estate.

Take this private road (signposted to Buchanan Castle Golf Club) for about 3/4 of a mile. On reaching the Y junction, take the LEFT fork. Green Shadows is the 6th house on the right.
